

# *A Prayer of Petition*

*Spirit of Peace Community-Missoula, MT*

*Gracious God, help us to be your justice.  
Help us to be your healing peace.  
Awaken us so that we may be Christ's presence  
in the world, renewing the world.*

*Spirited Wind of Change,  
enable the bending of what is rigid,  
the reversal of what has gone astray,  
the freshness of new possibility.*

*Come as comforter and offer us  
and all people  
relief, consolation and companionship.  
Tend to our woundedness.  
Restore us to life that we may be healers.*

*Reconciler and Spirit for Justice,  
empower our prophet's voice  
that it may be heard throughout the land  
retelling the gospel vision,  
praying for the unity of all true spirits.*
